

Washington, DC – Congressman Harry Teague released the following statement in reaction to the passing of Secretary Stewart Udall.

“Secretary Stewart Udall was a man who faithfully served his country. A veteran and dedicated public servant, his contributions to the people of our state will live on as we continue his work to protect our public lands and enjoy the benefits of our wilderness areas and National Parks. My condolences go out to the entire Udall family who, for decades, have dedicated their lives to public service and the American people.”
